

KiBS DOCUMENT MANAGEMENT

SIMPLE, SIMPLE WEB-BASED DOCUMENT PUBLISHING, DISTRIBUTION AND MANAGEMENT FOR SMALL-TO-MEDIUM BUSINESSES EVERYWHERE

Kyliptix Business Services (KiBS) Document Management (DM) provides the means to track and store documents and images of paper documents. Users can upload documents, store them online, index and search them, share them, combine with other documents and business applications, and make them part of the larger workflow process.

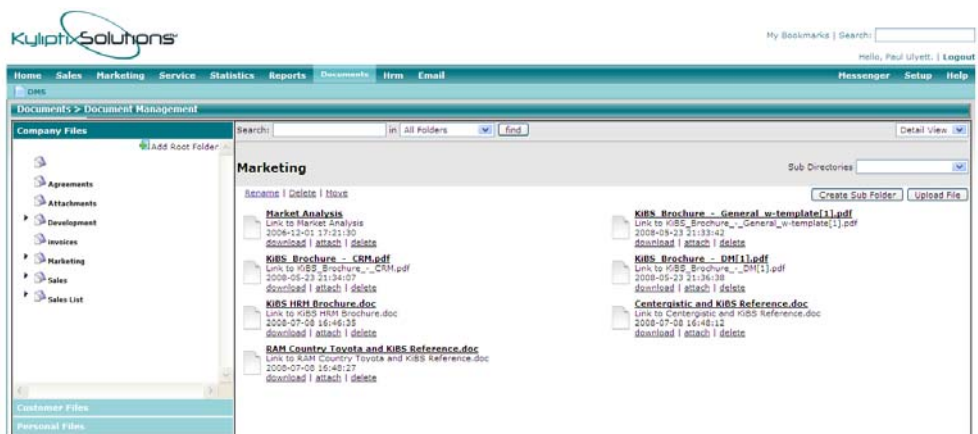

KiBS DM also works hand-in-hand with KiBS Customer Relationship Management (CRM) and KiBS Collaboration. Attach documents within KiBS Document Management to a KiBS Webmail message with just one click of a button. The e-mail and attachment then become an integral part of the recipients KiBS CRM contact record.

Key features of the Simple, Simple KiBS Document Management include:

- **Company** - A single place where everyone within an organization has access to the documents they need to perform their jobs more efficiently. For example, by keeping price lists, brochures and presentations in a central secure location, vital information is easily accessible - a must in today's business environment.
- **Customer** - Here, KiBS Document Management combines with KiBS CRM to provide instant access to customer specific documents as well as customer information including contact details, opportunities, leads, order history, products, tickets and more.
- **Personal** - Your personal document repository
- **Share** - Publish and share documents of your choice with colleagues and partners

KiBS Document Management is also highly affordable

- \$19.95 per month per user
- No long-term contract
- Pay as you go utility style pricing
