# KYLIPTIX BUSINESS SERVICES

SIMPLE, SIMPLE PRODUCTIVITY SOLUTIONS FOR SMALL-TO-MEDIUM BUSINESS EVERYWHERE

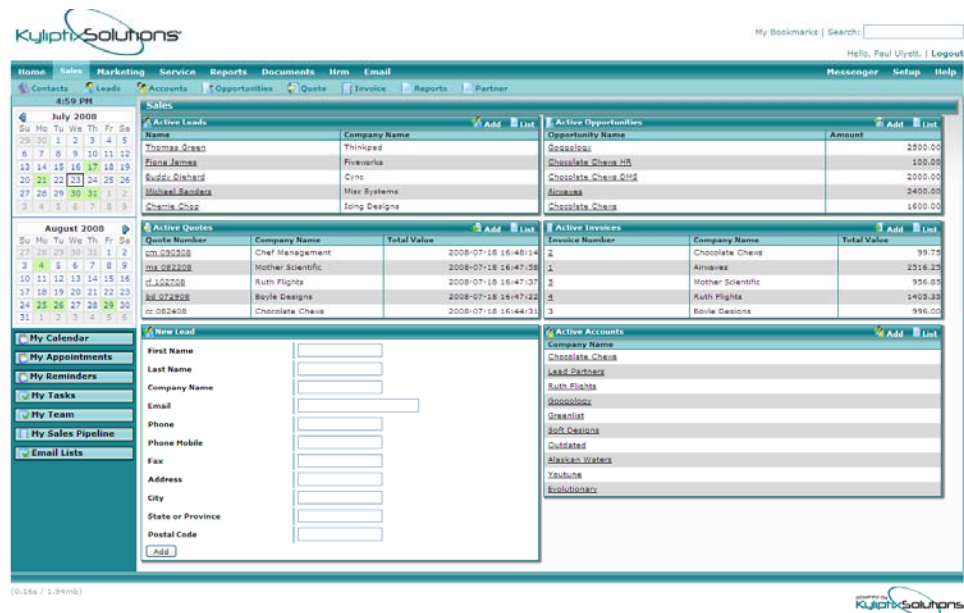

Integrated sales, marketing, service, document management, human resource management, reporting, collaboration and more all rolled into a single low cost business software service in one Simple, Simple user interface.

Kyliptix Business Services (KiBS) can bridge the flow of information throughout your organization, and reduce the need for multiple, costly applications. KiBS has over 50 manageable attributes that enable you to easily shape functionality unique to your business from market segments to employee benefits. In addition every field on every screen can be renamed to fit the language of your business.

With zero upfront costs, no long term contracts, free initial set up and pay as you go utility style pricing KiBS provides a low risk, cost effective way for businesses to simplify and improve their operations.

“Without the productivity, reliability and simplicity KiBS brings to our business we would not be in the strong position we are today”

Cameron Sinclair, CIO, Furniturefromhome.com

## Who should use KiBS?

- Businesses seeking greater consistency, improved efficiency and risk reduction.
- Businesses that are looking to lower their operating costs
- Organizations looking to simplify business processes and bring groups within the business together
- Companies needing to better protect business assets; such as data and knowledge.
- Organizations with minimal to no IT infrastructure or those seeking to reduce their IT infrastructure.
